

**Article code:** RIHAHCA12  
**Description:** Quick coupler  
48-51 mm - black

Read manual  
“clamps and coupler”  
before use.

## WARNING

- ADMIRAL Couplers and clamps shall only be installed or used by competent and/or qualified personnel.
- Do not exceed the maximum WLL (Working Load Limit) stated on the product.
- Couplers used in combined assemblies shall never exceed the maximum Safe Working Load of the assembly.
- Inspect equipment before every use. A damaged coupler or clamp shall be taken out of service.
- If clamps are used to support loads above persons it might be needed to secure the load with an additional safety cable (check local legislation).
- Do not overtighten bolts and nuts as this could lead to deformation of the chords of the support structure.
